

## 2010 Michigan Bull Breeding Soundness Exam Clinics

The MSU Beef Extension Team will once again be organizing regional Bull Breeding Soundness Exam Clinics. Last year, the program tested 286 bulls for 97 different operations. By identifying these potential male fertility problems, producers were able to reduce the risk of a less than optimum breeding season. The MSUE Beef Team encourages you to have BSE conducted on your breeding bulls every year. Contact your veterinarian or take advantage of the following Breeding Soundness Exam Clinics organized by MSUE. To schedule an appointment at one of these BSE clinics, please call the appropriate contact person as soon as possible. In addition, the MSU College of Veterinary Medicine also regularly schedules in house appointments for BSE's. To schedule an appointment contact the MSU CVM Large Animal Clinic at 517-353-2964.

*Location:* **Andy and Lynn Salinas Farm, Marion MI**  
*Date:* Friday, March 12, 2010  
*Contact:* Andy Salinas @ 231-743-6775 or Jerry Lindquist @ 231-832-6139
