Sale Information

Herd Health: All cattle will be accompanied by proper health certificates for shipment.

Trucking: All arrangements regarding trucking costs and delivery times are to be predetermined between the trucking firm and the buyer prior to the trucking firm hauling the cattle. Sale management and the sellers will assist in coordinating loads, however, neither the sale management, nor the seller, assumes any responsibility regarding the pricing for trucking cattle or the collection of fees due to the trucking firm.

Responsibility: The seller is the responsible party for all recommendations and warranties. The Michigan Angus Association, all persons associated, and the auctioneer are acting as agents only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated with the sale shall not be responsible in case of accident resulting in injury to anyone attending the sale.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

Risk: All animals are at owner's risk and become the property of the purchaser when declared sold. Assistance will be given in loading and shipping of animals, but no risk is assumed by anyone associated with the sale.

Liability: All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the animals' behavior. The owner, Michigan Angus Association, and the sale staff assume no liability for property loss or any accidents that may occur.

Terms and Conditions: Cattle will sell under the standard terms and conditions as recommended by the American Angus Association.

Announcements from the auction block regarding the cattle selling will take precedence over information listed in this catalog.

Buyers unable to attend may send their bids to members of the sale committee, auctioneer or ringmen. Bids will be handled as if you were present.

We have developed this outstanding Angus herd sire prospect specifically for the Michigan Angus Futurity this year. This 004 son is correct and stylish. He has plenty of muscle and thickness, and is sure to produce pounds of profit in a purebred or commercial breeding program. Out of an impressive Everelda Entense donor now owned by Chris Jeffery, he has a maternal brother working as a herd sire in Montana.
