

2017 Michigan Bull Breeding Soundness Exam Clinics

The MSU Beef Extension Team will once again be organizing regional Bull Breeding Soundness Exam Clinics. Last year, the program tested over 300 bulls from 110 different operations. By identifying potential male fertility problems, producers were able to reduce the risk of a less than optimum breeding season. The MSUE Beef Team encourages you to have BSE conducted on your breeding bulls every year. Contact your veterinarian or take advantage of the following Breeding Soundness Exam Clinics organized by MSUE. Cost is \$60 per bull when done at one of the MSUE clinics. **To schedule an appointment at one of these BSE clinics, please call the appropriate contact person as soon as possible.** All Clinics start at 9:00 AM. *In addition, the MSU College of Veterinary Medicine regularly schedules in house appointments for BSE's. To schedule an appointment contact the MSU CVM Large Animal Clinic at 517-353-9710.*

Location: Gary Voogt Farm, 2831 Hayes St, Marne MI
